

Secondary School Steiner Program Class 8, 9 & 10 2021 Parent Payment Schedule

Dear Parents, Guardians and Carers,

The Department of Education has reorganised the way families pay fees this year to ensure that costs are allocated to key items that are part of the school's programs.

Below is the 2021 fee schedule for Classes 8, 9 & 10 in the *Steiner Program*. Collingwood College makes every effort to keep the cost of Essential and Optional Education items and activities to a minimum and affordable for all parents.

Please also see and return the Memorandum of Understanding for participation in the Steiner Program.

Optional Items

These are items, activities or services that are offered in addition to support instruction in the standard curriculum programs. These are provided on a user pay basis so that if parents choose to access them for students, they are required to pay for them.

PARENT PAYMENTS POLICY

ONE PAGE OVERVIEW

The following is a summary of the main principles of the Parent Payments Policy:

FREE INSTRUCTION

- Schools provide students with free instruction to fulfil the standard curriculum requirements as outlined in the Victorian Curriculum F-10, VCE and VCAL.

PARENT PAYMENT REQUESTS

- Schools do not ask parents to pay for school operating costs (e.g. utility costs) or general and unspecified charges.
- Schools request payments from parents under three categories:

Essential Student Learning Items

- Items and activities which the school deems essential for student learning.
- Parents may choose to purchase essential items through the school or provide their own.

Optional Items

- Items and activities that enhance or broaden the schooling experience of students and are offered in addition to the standard curriculum.
- These are provided to students on a user-pays basis.

Voluntary Contributions

- Voluntary contributions support the school to continue to be the best local school for all students and can be for general or specific purpose.
- Students will not be disadvantaged in any way if parents do not make a contribution.

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

SCHOOL PROCESSES

- Schools obtain school council approval for their parent payment arrangements and upload their arrangements on their school's public website for transparency.
